Dear Arjun,

We are pleased to confirm your internship position at Triassic Aerospace Pvt Ltd. You will be working with the Engineering Department in the role of Embedded Electronics Engineer Intern. This position is located at Sonipat, Haryana.

Your internship will start from 19-Dec-2022 and will end on 31-Jan-2023.

During this internship, your roles and responsibilities will include working on electronic circuits, component selection, PCB design, testing circuits and other similar work.

On successful completion of your internship, you will be eligible to apply for a full-time position at Triassic Aerospace Pvt. Ltd.

During the internship, you may come across confidential information about Triassic Aerospace Pvt. Ltd. By accepting this offer, you acknowledge and agree that you will not be using this information for personal use and will not be disclosing it to anyone. Also, you agree that upon completion of your internship, you will promptly return any company-issued property and equipment along with information and documents belonging to the company.

In case, you have any queries about this internship, please get in touch with us at info@triassicaerospace.com

We are happy to have you work with us. Welcome to the team.

Sincerely,

Amit Biswas
CEO, Triassic Aerospace
